

SIDE EVENT - 52nd session of the UN Human Rights Council

# A CLEVER MOVE IN TIMES OF MULTIPLE CRISES : RESPECTING, PROTECTING AND FULFILLING THE RIGHTS OF PEASANTS AND OTHER RURAL WORKERS

The crises are mainly affecting right-holders and constituencies in rural areas, those that produce the majority of the food in the world. Protecting their struggles and rights, including by implementing UNDROP and fostering the transition to agroecology, is a clever way to respond to the current multiple crises.
